📍 Right Foot Ranch Brings Joy and Horses to Bethel Presbyterian Church's Flea Market – September 13, 2025

On a picture-perfect Saturday, Right Foot Ranch joined the vibrant community gathering at Bethel Presbyterian Church's annual flea market, offering horse rides and heartfelt conversations about our mission. The event, held on September 13, 2025, was a beautiful blend of sunshine, smiles, and shared purpose.

Our team was thrilled to introduce attendees to the healing power of horses and the work we do through equine-assisted therapy and horse rescue. Children lined up eagerly for rides, their laughter echoing across the grounds, while two spirited seniors also took the reins—proving that joy in the saddle knows no age limit.

Throughout the day, we connected with dozens of wonderful people, sharing stories, answering questions, and planting seeds for future partnerships. Many visitors expressed interest in volunteering, donating, or simply learning more about how horses can help foster emotional growth and resilience.

We're grateful to Bethel Presbyterian Church for hosting such a welcoming event and to everyone who stopped by our booth. Your enthusiasm and support help us continue our mission of compassion, connection, and community.

Right Foot Ranch Honored with WGAL TV's "8 Who Care" Award – August 29, 2025

We're thrilled to share that Right Foot Ranch was selected as a winner of WGAL TV8's prestigious 8 Who Care award, recognizing outstanding community service and compassionate leadership. On Friday, August 29th, 2025, WGAL's Jerry Gish and his team visited the ranch to film a special news segment highlighting our founder, Amanda Martinez, and the transformative work happening here every day.

From equine-assisted therapy to horse rescue and youth outreach, Amanda's vision and dedication have created a sanctuary of healing, hope, and connection. The WGAL story captured the heart of our mission—showcasing the joy, growth, and resilience that blossom when people and horses come together.

We're deeply honored by this recognition and grateful to WGAL TV for shining a light on the blessings our ranch provides to children, families, and individuals across the region. Most of all, we celebrate Amanda, whose tireless compassion continues to inspire everyone who walks through our gates.

Congratulations, Amanda—you are the heart of Right Foot Ranch, and we couldn't be prouder.

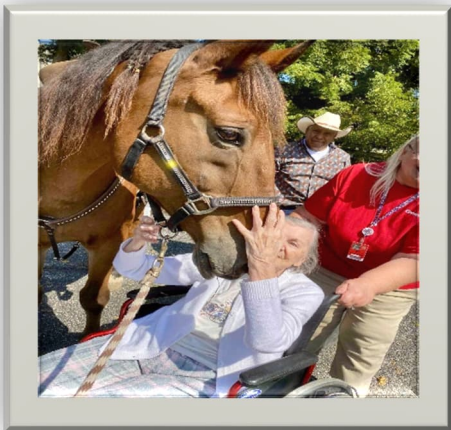

Right Foot Ranch Brings Joy to Inners Creek Fall Festival

On September 20th, Right Foot Ranch had the pleasure of joining the Fall Festival at Inners Creek Assisted Living, and what a heartwarming day it was! Our beloved horses were the stars of the afternoon, delighting residents and guests alike with gentle interactions and memorable rides. The smiles, laughter, and shared stories made it a truly special experience.

We were also treated to a delicious spread from Mac Daddy food, enjoying every bite alongside the wonderful community of Inners Creek. The atmosphere was filled with joy, connection, and celebration—proof that a little time with horses can brighten anyone's day.

Thank you to Inners Creek for the warm invitation and for including us in such a meaningful event. We're grateful for the opportunity to share the healing power of horses and look forward to future visits!

A Grateful Shoutout to Pennsy: Thank You for Supporting Our Herd

We at Right Foot Ranch extend a huge thank you to Pennsy for their incredibly generous donation of limestone and stone dust. This thoughtful gift has made a tremendous difference in improving drainage around our sheds, helping to eliminate standing water and ensure our horses have dry heads and hooves—a vital step in keeping them healthy and comfortable.

Your kindness goes far beyond materials. It's a powerful reminder that we're not alone in our mission. With support from companies like Pennsy, we're able to continue rescuing horses, providing therapy, and changing lives—one hoofbeat at a time.

From all of us at Right Foot Ranch, and especially from our grateful herd: thank you for standing with us.

Urgent Need: Help Us Care for Our Herd

Right Foot Ranch is reaching out with an urgent request to our generous community. As we prepare for the changing season, our horses need essential care—and we could use your help.

♥ Immediate Needs:

- Tractor Supply gift cards to purchase dewormer and vital horse supplements
- Donations for veterinary care—every horse at the ranch will need their teeth floated in the coming month, a procedure that costs \$125 per horse

These treatments are critical to keeping our rescue horses healthy, comfortable, and ready to continue their healing work with children and seniors. Every dollar makes a difference, and your support helps us provide the compassionate care they deserve.

If you'd like to contribute, please contact us directly or visit our donation page. Thank you for standing with us and our herd!
